<input type="checkbox"/> Mechanical specification		

2. Title of Change:

Remove the foundry location from the shipping label and add the country of origin (COO) marking to the shipping label.

3. Change Description:

Remove the foundry location and add the country of origin (COO) marking on the label affixed to the shipping cartons

4. Reason for Change:

As per export requirement

5. Risk Assessment: Risk Level : High ; Low

6. Change Classification: Customer Approval ; Information Notes Only

Customer Approval Definition:

- In accordance with J-STD-046:

(1) A change that may affect the form, fit, or function of the product or adversely affect the quality or reliability of the product.

(2) This type of change requires customer approval prior to shipment.

(3) After acknowledgement, a lack of additional response within the 90-day period constitutes acceptance of the change. An acceptance or concern response shall be submitted to Richnex in a timely manner.

(4) If the customer requires additional time to perform sample testing beyond the 90-day review period, an extension must be negotiated with Richnex within the 90 days.

- In accordance with ZVEI for automotive applications products:

(1) This type of change shall be notified to the customer at least 180 days ahead of the planned shipment date of changed product.

- (2) This type of change requires customer approval prior to shipment. In the absence of customer feedback, the changes shall not be implemented.
- (3) If there is a lack of response from the customer within expected response time, appropriate actions shall be taken to obtain customer feedback.

Information Notes Only Definition:

- (1) A document (or PCN letter) sent to customer for information only, describing the change(s), the reason for the change(s), and the projected impact of the change(s).
- (2) This type of change shall be notified to the affected customer at least 90 days before shipment and does not require customer approval prior to change implementation.

7. Customer Affected:

All

8. Estimated Effective Date of Change:

December 10, 2025

9. Change Identification: Product Mark Label Date code Others N/A

Example of product shipping label on carton:

變更前: 顯示 Foundrylocation

變更後: 移除 Foundrylocation, 增加 COO
